

He's getting things done
And he makes no excuses.
He's having some fun
Saving the earth.
He's small but he's bold
And he never refuses
The help of a friend
He's an ant for the environment

Walking along
Doing his job
He's not very strong
But he won't give up
At the end of the day
He's got one thing to say:

*I'm an ant for the environment
I take a stand for the environment
Yea, I'm a friend to the environment
I take a stand!*

He can't do it alone
So we must work together
To help set the tone
Even small acts can matter
When you're just an ant
You need all the help you can get
So won't you come along and help
Save the environment

So let's walk along
And do our job
No need to be strong
But just don't give up
At the end of the day
You'll be proud to say:

*I'm an ant for the environment
I take a stand for the environment
Yea, I'm a friend to the environment
I take a stand!*
